On Tuesday, June 8th, PAL enthusiasts raised \$298.72 simply by going to dinner! Uno's donated 20 % of the total receipts from PAL diners. No products to sell, no money to collect - just a great night out! We hope to make this a seasonal event so stay tuned for another Uno's fundraiser this fall!

ECYSA Spring Play-off Results

Congratulations to our Div. 1 U14 boys! They received a bye in the first round as the Number 1 seed in their division, then beat Lynnfield 2-0 in the semifinals and lost to Revere 4-0 in the finals. Revere went on to finish runner-up at the Mass Tournament of Champions, the state play-offs for all travel teams.

A Message from the President

Welcome to all new and returning players! Parents - please consider volunteering for our great organization. Talk to a Board Member about how you can get involved. You can identify a Board Member on the field by the maroon shirts they wear. This is an exciting time for our league. We are in the process of obtaining exclusive permits for two new fields. This spring, we plan to move our full-sided travel program to Bradford Elementary, while Pentucket Lake School will be used for practices. Adding these fields will free up other space for in-town teams to practice. We are installing new goals and goal system at Consentino Middle School, due to damage incurred to the goal post. In addition, the Board has approved money to be donated to the Recreation Department to help purchase a new lawn tractor. This will assure our fields will be mowed to a safe height in a timely manner. We are also looking into having on-line registration in the near future. As you can see, the Board of Directors is busy working on many aspects of managing a large soccer program (over 1500 kids per year - the largest single sports organization in Haverhill!) to assure every child has fun learning the great game of soccer!
