On-Line Registration Coming Soon!

We are working with a well-established company, active.com, to provide this service. Stay tuned to our website, www.haverhillpal.org, for the start date. We anticipate it will be available for the Fall '05 season registration by early May.

Assistant Jamboree Coordinator Needed

This will be the last year the current coordinator will run this event. Someone is needed to help out this year and "learn the ropes". The event will be held on June 12th, 12-3 PM, at the Haverhill High School. The assistant coordinator will help solicit volunteers for the day of the event. If interested, please e-mail Karen DiPietro at k.dipietro@verizon.net.

Kudos to Coaches

The following coaches successfully completed the 4-hour "G" course on March 5th: Al Barney, Michael Kessel, Erik Ingersoll, Janet Begin, Russ Bergio, Caitlin Brown, Katie Freeman and Sherry Mears. Congratulations and thanks for your dedication to the children of the Haverhill PAL Soccer program!

Board of Directors Election

As many as 6 positions will be vacated by long time board members whose children have played through the system since they were 5 years old. We need new people to volunteer and get involved. Elections will be held at the Jamboree on June 12th. Please help keep this league strong! A letter will be distributed 2 weeks prior to the jamboree soliciting people for the board.

Registration for Fall '05

In-town registration will take place on:

- Saturday, June 4th and 11th

St. James field, 9 AM – 3 PM

Registration is \$45 per player, \$80 for two and \$15 for each additional child in the same family. Payment by cash or check only.

Travel registration dates to be announced at a later date.

New Shirts for In-Town

The board of directors unanimously voted to replace seasonal t-shirts with a reversible white and maroon high quality soccer shirt. All players will be required to purchase a shirt for the Fall '05 season. Samples will be on display at the field. The cost of the shirt is \$10. We will not be raising registration fees despite an increase in fees from the regional and state leagues. The new shirts will help limit problems with sizes and color we often experience.
