

Haverhill PAL Soccer

Travel Team - Tournament/Camp/Clinic Fee Reimbursement Policy Effective September 2010

Haverhill PAL Soccer wishes to promote tournament play and additional instruction for travel team players through partial reimbursement.

This policy pertains to Haverhill PAL Soccer travel teams that are officially registered with Essex County and are requesting reimbursement to play in approved "events" which constitute; tournaments (i.e. North Andover Columbus Day Tournament), team participation in approved camps (i.e. North Shore United Summer Camp) or clinics (i.e. travel team working with outside instructors from MYSA, Soccer Clubs, etc.). "In-door" sessions are strongly recommended for all travel teams during the off season but do not qualify for reimbursement.

Reimbursement per "event" is based on a maximum of 50% of the cost of that event up to a capped amount of \$100. Each travel team is eligible for reimbursement for up to three "events" per soccer year (September to August or based on the then current rostering schedule for travel teams) up to a maximum of \$300 per soccer year.

Additional qualification requirements:

- 80% of any tournament roster must be from the travel team roster
- At least 80% or 10 travel team players from the current travel team roster must participate in the camp or clinic
- Pre-approval from the Haverhill PAL Director of Player/Coach Development is required via application form (please allow at least 30 days for approval)

Upon successful approval of the event and verification (i.e. signed Haverhill PAL Soccer approval form and copies of event registration form/receipt should be submitted to Haverhill PAL Finance Director), Haverhill PAL Soccer will reimburse per the structure outlined above.

We hope that this will incent Haverhill PAL Soccer travel teams to participate in more events and instructional opportunities to promote youth soccer, player development and fun!
